Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
filmage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par le second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Un des symboles suivants apparaîtra sur la
dernière image de chaque microfiche, selon le
cas: le symbole \rightarrow signifie "A SUIVRE", le
symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

Preface.

In presenting this little book to the public, a long felt want is satisfied. It gives a perfect calendar for each and every year from January 1, 1600, to December 31, 1999, and this fact carries its own comment. The Publishers feel there is no home or office but will welcome it as one of the most useful adjuncts to its every day wants.

A feature of this book is its simplicity. To find the Calendar for any year, all that is required is to find the year in the table of years, and the number of the calendar is in the column beside it.

Two thousand of these calendars are distributed gratis ; but there may be some who will not secure a copy in this way, or others who may want one or more extra copies, to all such, we may say they may be obtained at all dealers, for the nominal sum of 10 cents.

In order to find any Week Day in the Four Centuries:

Refer to the calendar bearing the same number as that placed opposite the year in which the date is wanted.

EXAMPLE.—On what day of the week did December 25th, 1884, come?

By referring to 1884 in the above list, we find 10 opposite that year, and calendar 10 shows that Dec. 25th came on Thursday.

EXAMPLE.—On what day of the week did July 1st, 1867, fall?

Opposite 1867 we find 3. Referring to calendar 3, we find July 1st to have been on Monday.

THE ROYAL TEMPLARS

Have the seal of Public Approval for their

POPULAR PLAN OF PROTECTION

I. Because it is founded on equity and common sense.

II. Equitable, because each member pays an amount equitably adjusted according to his or her age.

III. Common sense, because it does not attempt the impossible but has placed its rates on a basis that will guarantee its permanency.

IV. Because it is the best insurance organization for the best risks viz.; total abstainers only, and its rates can therefore be lower than the rates of any other organization, as it is the only Order in the Dominion covering total abstainers only.

V. It is the only Order in America whose rates and methods have stood the test of a most searching investigation by the Civil Courts.

VI. Because claims are paid on the day when the papers are completed and filed in the head office.

For the above reasons and many others, you should secure life insurance with the Royal Templars of Temperance.

Hager & Hall's

Mammoth Departmental Store

BEAMSVILLE.

~~~~~

*As there always has to be a leader, a progressive, energetic pusher ahead, we have taken that enviable and prominent position in the general business of our village. We have plenty of followers, lots of them, but our pace is rapid, the strides just a little bit too big for the rest of them, and one by one they are dropping further into the rear. No enterprise ever had greater encouragement, no community ever had a more perfect all round general business house than this. Success hasn't turned our heads, only prodded us on, kept us striving to improve our stock and get our prices down to a point where none can match. We carry a full line of Dry Goods Millinery, Clothing, Groceries, Crockery, Paints, Hardware, etc., and it is our earnest endeavor always to please those who place their confidence in us.*
